2018-2019 SEASON - For Those Competing in Hillclimb Events or Any Volunteers.

Northland Car Club Hillclimb competing members (or just want to help out at events), please read below...

The helpers list was done for the first time last season and the organisers of the speed events have found it very helpful having a list full of people at the ready to help out at events.

We need you to nominate at least 2 speed events that you can help at or provide a helper to come along to help, see event list below. (We may only need one of your event choices, depends on the reply rate....or we may need more)

Please let me know which events you can help at or provide a helper to by filling in the form below and getting it back to me or you can text / email me your name, events and helpers.

late April	Street Sprint				

*events shown for 2019 are preliminary dates and may change depending on other national events

NOTE:

The Ruakaka Street Sprint and Ruarangi Road is not included in the above list as all NCC entrants must provide a helper to these events (so start planning now). Or if you would like to put your name down as a helper now for these events please let me know.

You may not get the event you have nominated as it may have reached the number of helpers required for that event, so you may be asked to chose again. First in first served, so be in quick.

And then on the other hand we may not get enough names, so helpers may still need to be required.

A list of the helpers for each event will be published in the club mag.

Getting helpers for events has always been an ongoing issue for the club (and many other clubs), nominating which event you would like to help out seems like a fair way to plan this.

Please do not take advantage of the organisers of your events and other willing helpers.

There should be no exemptions.

If you are an organiser of an event then you would put that event(s) down as your event you helped at.

Juniors are still to put an event down to help at, but they would be marshalling beside someone to learn how to do things (and not left on there own). It's not mandatory for juniors to put their name down but it would be good to see them helping.
