HeLpers / MarshaLs instructions

To all competing NCC Members or any volunteers.

If you are a competing member in the Northland Car Club speed events (or just want to help out at events), please read below...

So we can organise helpers/marshals etc prior to the seasons events we need you to nominate at least 2 speed events that you can help at or provide a helper to, see event list below. (We may only need one of your event choices, depends on the reply rate)

Please let me know which events you can help at or provide a helper to by filling in the form below and getting it back to me or you can text / email me your name, events and helpers, details etc...

June 2018	BS - Paiaawa Road	7			
July 2018	HC - Springfield Road	7			

*events shown for 2018 will be held in the months as shown above (they may change depending on other national events). The dates for these events will be out later, but you can still put your name down for them.

NOTE:

The Ruakaka Street Sprint and Ruarangi Road is not included in the above list as all NCC entrants must provide a helper the event (so start planning now). Or if you would like to put your name down as a helper now for this event please let me know.

You may also not get the event you have nominated as it may have reached the number of helpers required for that event, so you may be asked to chose again. First in first served, so be in quick.

And then on the other hand we may not get enough names, so helpers may still need to be required.

A list of the helpers for each event will be published in the club mag.

Oh, and if you have not provided us with the above information prior to the event you are planning on entering, be prepared for your entry not to be excepted.

Getting helpers for events has always been an ongoing issue for the club (and many other clubs), nominating which event you would like to help out seems like a fair way to plan this.

There should be no exemptions.

If you are an organiser of an event then you would put that event(s) down as your event you helped at.

Juniors are still to put an event down to help at, but they would be marshalling beside someone to learn how to do things (and not left on their own). It's not mandatory for juniors to put their name down but it would be good to see them helping.
